

The Family Support Network of Lewis County is a program of Reliable Enterprises, a non-profit organization, that provides information and resources for people with developmental disabilities and those that support them.

Working with parents, schools, social services agencies and elected officials to better educate and support the community for people with disabilities to become welcomed active participants in the community.

#### Acknowledgements

Donated time and funding to publish this directory was provided by:

- ?? The Division of Developmental Disabilities Expanded Family Support Grant
- ?? Lewis County Social Services
- ?? In-Tot Developmental Center

This directory was created to support families and individuals who experience developmental disabilities through their lifespan.

There are no copyright rules to this document and it may be recycled to distribute appropriately as needed.
